## PROFESSIONAL OVERHEAD CRANE REPAIR

www.tulsacranewerx.com

**(918) 694-7311**

**24 HOUR OVERHEAD CRANE REPAIR**

Tulsa Crane Werx can help you with fast, reliable service that will get your equipment running again in a timely manner. Years of experience allows us to step up and work with your equipment right away. We service, and have access to **all brands** of crane and hoist parts. From basic repairs to complete system upgrades, we are ready to take on any crane or hoist job that comes our way. We can also inspect your equipment to make sure that it is in top shape and alert you to any discrepancies concerning applicable OSHA and factory specifications.
